Accessibility Policy

Mission Statement

'Together in Christ, Living, Learning and Growing.'

We believe that children can reach their full potential only by receiving full-time education, through regular and structured attendance. St Joseph's expects all pupils to arrive and leave school punctually and we emphasise this to parents.

We endeavour to make our premises, curriculum and information accessible to all. Our Accessibility Plan and Equal Opportunity Policy supports our work in this aspect of school improvement.

Please let us know if there is anything we can do to improve our provision and try to inform us in advance of your visit if you have any special requirements.

We are able to provide:

- a member of staff to meet you on arrival and accompany you on your visit to our school
- a communicator/translator booked in advance of the visit for anyone who needs this service
- there is no parking space provided on site but we will meet anyone who has difficulty walking long distances or wheelchair users at the school gate and accompany them into the school.
- there is access throughout the school for wheelchair users and people with limited mobility.
- a seat next to the aisle at school concerts and special events for anyone
- who needs 'extra space' or is a wheelchair user
- there is a disabled toilet with adapted hand wash facilities and plenty of space for moving about.
- special dietary requirements can be catered for with advance notice
- documents in a variety of languages provided by the translation service of City and County of Swansea

We will try to make your visit as comfortable and enjoyable as possible.

As part of our overarching aim for pupils to fulfil their full potential across the curriculum we will endeavour to ensure that all children are given the necessary support to access learning in this area in line with our equal opportunity policy and disability scheme.

Child Protection - The United Nations Convention on the Rights of the Child (CRC)

is at the heart of our school's planning, policies, practice and ethos.

As a rights- respecting school we not only teach about children's rights but also model rights and respect in all relationships – Linked to Articles 3, 12, 16, 19, 20, 21, 25, 27, 28, 30, 34, 36, 39, 42 (CRC)
