

What is Come and See ?

A Catholic Primary Religious Education programme for Foundation and Key Stages 1 and 2 published in July 2012.

This easy to use, teacher-friendly material has been written by a group of experienced diocesan advisors.

It follows on from successful trialling in schools in England and Wales and is based on the theological foundations of the Second Vatican Council, the Catholic Catechism and the revised RE Curriculum Directory and includes the Catholic attainment levels.

The Catechism of the Catholic Church addresses the search for meaning in life. God's initiative in Revelation who comes to meet us and our response of faith. (cf. CCC26) This pattern guides the structure of the programme and informs the process of each topic, opened up through; Explore, Reveal and Respond.

The Diocese of Menevia has adopted the new scheme after consultation with Head teachers and at St. Joseph's we have been using the new Diocesan scheme since the Summer of 2013 when it was trialled within the school. In Autumn Term each class began the programme. There was a RE/ Governors INSET day on October 25th where we reviewed our progress and examined

the way forward. If you have any questions regarding the new scheme please feel free to contact the school.
