Dear Parent,

We are pleased to announce an addition to our school programme. Beginning on Wednesday January 17th we will be having weekly support groups for our children who are living in single parent or step-families or families that are going through painful transition. This programme is called **Rainbows**.

The first sessions will be for pupils in Year 1-3.

When something significant happens in a family, the entire family is affected. Even though death, divorce or other loss issues appear to be only grown-up problems they have a profound effect on the children who are touched by such experiences. If a parent dies or a divorce happens or a painful loss occurs, not only do the parents grieve the children do also. Children may find it extremely difficult to verbalise their feelings of grief because of their age and inexperience.

We have trained facilitators who are willing to work with these children and help them put their feelings into words, work through their grief, build a stronger sense of self-esteem and begin to accept what has taken place in the family. If your child is part of a single parent family, a step-family has experienced the death of a loved family member or is struggling through a painful experience this will be an opportunity for them to share their feelings. If you wish your child to registrar please fill in the form below and return to the school office

Yours Sincerely
