Overview of home learning if we move into contact group isolation

If a child does not have access to a computer/laptop and/or the internet, we will do all we can to support children and will provide paper packs of learning or laptops if they are needed. Please make us aware of any barriers to accessing remote learning.   You will find here an overview of lessons to be completed each day. Children have been made aware that the chat facility within teams is only to be used to discuss matters relating to their learning. The timetable will provide learning across the curriculum and children will be expected to spend a similar amount of time completing this as they would spend learning in school. Some of this learning will be through live presentations with the class teacher. Please ensure you have read our expectations for attendance at live sessions.
   The Overview.
 The daily timetable will include:

Maths – FP- Abacus/ KS2 Heinemann
Reading – Reading Eggs / Reading Express
Writing – Collins / j2write and j2 office tile
Spelling/Phonics – Spell blast
RE and other subjects – throughout the week

https://hwb.gov.wales/ Getting started Log into Hwb and navigate to Just2easy. Click on the j2blast tile

J2Blast - j2blast is a games based learning package in J2e focused on spelling, times table and division. j2blast encourages learners to practice maths and spelling while they do what comes naturally; play and compete against each other. As they progress through the levels, the questions automatically adjust to the learners' ability so that they never find them too easy or too difficult. Teachers can see detailed information about the achievements of their learners as well as which aspects they have found difficult. Data handling activities

https://readingeggs.co.uk/
Children complete animated online lessons where they learn essential reading and phonics skills. The variety of fun activities within each lesson provides the repetition needed for these skills to become part of the child's long term memory.

https://home.oxfordowl.co.uk/reading/freeebooks/

Read books online Children gain confidence by reading online books that only contain words they have already studied in the programme. There are over 2000 levelled books in the Reading Eggs programme.

Read as much as you can at home Children are to read from their own reading book or download and read a free e-book from Oxford Owls

https://hwb.gov.wales/ Getting started Log into Hwb and navigate to Just2easy Click on j2write and j2 office tile.

Your child's hwb account has Microsoft office 365 as well as j2write and j2 office which will give them options for writing.
