Updates of the week:

Club times are 3.20-4.20 p.m. Please be on time to collect your child from the main gate, diolch.
Important dates are on the calendar on our school website. Photos are on the 'News & Events' part of the website of all this week's events.

Following our CAFOD assembly, each class will now have its own CAFOD collection pot. We are encouraging the children to help us raise as much money as possible as part of our Lenten preparations. Our goal is £231, which is enough to support a family for a year through the floating garden project. 'A better world needs all of us'.

Parents Evening is Monday 9th March 1:30- 5:45. Years 3 - 6 in the hall and Reception to Year 2 in the Year 1 classroom. Sorry again that our system didn't pull over all of the emails, by the next parents evening we should hopefully have a new system in place. Appointments have now closed. Please come around the back of the school not through the main doors as we have to safeguard all pupils.

Thank you to all of the pupils, parents and staff who supported our St David's Day Family Mass. It was lovely to celebrate together as a prayerful community.

We are beginning to collect items for our Easter Hampers as part of our Easter celebrations. We will also have some items for sale next week for Mother's Day. More information will be sent out on Monday.

We had a wonderful World Book Day with pupils dressing as their favourite character and the book that they are in. There are photos on the website. The most important thing isn't dressing up but reading! Reading for 20 minutes a day, to or with your child, exposes them to nearly 1.8 million words annually, significantly boosting vocabulary, comprehension, and academic performance. This daily habit builds language skills far beyond daily conversation, helps emotional development and strengthens parent-child bonds.
